### **Voting through electronic means**

#### **Process and manner for members opting for Remote e-voting are as under:**

In terms of Section 108 of the Companies Act, 2013 read with Rule 20 of the Companies (Management and Administration) Rules, 2014, the Company has engaged the services of CDSL to provide the facility of electronic voting ('e-voting') in respect of the Resolutions proposed at this AGM.

#### **CDSL e-Voting System – For remote e-voting and e-voting during AGM and Joining Virtual Meeting(s)**

1. As you are aware, in view of the situation arising due to COVID-19 global pandemic, the general meetings of the companies shall be conducted as per the guidelines issued by the Ministry of Corporate Affairs (MCA) vide Circular No. 02/2021 Dated January 13, 2021, 14/2020 dated April 8, 2020, Circular No.17/2020 dated April 13, 2020 and Circular No. 20/2020 dated May 05, 2020. The forthcoming AGM/EGM will thus be held through through video conferencing (VC) or other audio visual means (OAVM). Hence, Members can attend and participate in the ensuing AGM through VC/OAVM.

2. Pursuant to the provisions of Section 108 of the Companies Act, 2013 read with Rule 20 of the Companies (Management and Administration) Rules, 2014 (as amended) and Regulation 44 of SEBI (Listing Obligations & Disclosure Requirements) Regulations 2015 (as amended), and MCA Circulars dated April 08, 2020, April 13, 2020 and May 05, 2020 the Company is providing facility of remote e-voting to its Members in respect of the business to be transacted at the AGM. For this purpose, the Company has entered into an agreement with Central Depository Services (India) Limited (CDSL) for facilitating voting through electronic means, as the authorized e-Voting's agency. The facility of casting votes by a member using remote e-voting as well as the e-voting system on the date of the AGM will be provided by CDSL.
3. The Members can join the AGM in the VC/OAVM mode 15 minutes before and after the scheduled time of the commencement of the Meeting by following the procedure mentioned in the Notice. The facility of participation at the AGM through VC/OAVM will be made available to atleast 1000 members on first come first served basis. This will not include large Shareholders (Shareholders holding 2% or more shareholding), Promoters, Institutional Investors, Directors, Key Managerial Personnel, the Chairpersons of the Audit Committee, Nomination and Remuneration Committee and Stakeholders Relationship Committee, Auditors etc. who are allowed to attend the AGM without restriction on account of first come first served basis.
4. The attendance of the Members attending the AGM through VC/OAVM will be counted for the purpose of ascertaining the quorum under Section 103 of the Companies Act, 2013.
5. Pursuant to MCA Circular No. 14/2020 dated April 08, 2020, the facility to appoint proxy to attend and cast vote for the members is not available for this AGM and hence the Proxy Form and Attendance Slip are not annexed to this Annual Report. However, in pursuance of Section 112 and Section 113 of the Companies Act, 2013, representatives of the members such as the President of India or the Governor of a State or body corporate can attend the AGM through VC/OAVM and cast their votes through e-voting.
6. In line with the Ministry of Corporate Affairs (MCA) Circular No. 17/2020 dated April 13, 2020, the Notice calling the AGM has been uploaded on the website of the Company at [www.ramgopalpolytex.com](http://www.ramgopalpolytex.com). The Notice can also be accessed from the websites of the Stock Exchanges i.e. BSE Limited at [www.bseindia.com](http://www.bseindia.com). The AGM Notice is also disseminated on the website of CDSL (agency for providing the Remote e-Voting facility and e-voting system during the AGM) i.e. [www.evotingindia.com](http://www.evotingindia.com).
7. The AGM has been convened through VC/OAVM in compliance with applicable provisions of the Companies Act, 2013 read with MCA Circular No. 14/2020 dated April 8, 2020 and MCA Circular No. 17/2020 dated April 13, 2020 and MCA Circular No. 20/2020 dated May 05, 2020.
8. In continuation of this Ministry's General Circular No. 20/2020, dated 05th May, 2020 and after due examination, it has been decided to allow companies whose AGMs were due to be held in the year 2020, or become due in the year 2021, to conduct their AGMs on or before 31.12.2021, in accordance with the requirements provided in paragraphs 3 and 4 of the General Circular No. 20/2020 as per MCA circular no. 02/2021 dated January 13,2021.

**A. THE INTRUCTIONS OF SHAREHOLDERS FOR REMOTE E-VOTING AND E-VOTING DURING AGM/EGM AND JOINING MEETING THROUGH VC/OAVM ARE AS UNDER:**

**Step 1:** Access through Depositories CDSL/NSDL e-Voting system in case of individual shareholders holding shares in demat mode.

**Step 2:** Access through CDSL e-Voting system in case of shareholders holding shares in physical mode and non-individual shareholders in demat mode.

- (i) The voting period begins on **Tuesday, September 27, 2022 (9:00 a.m. IST)** and ends on **Thursday, September 29, 2022 (5:00 p.m. IST)**. During this period shareholders' of the Company, holding shares either in physical form or in dematerialized form, as on the cut-off date (record date) of **Friday, September 23, 2022** may cast their vote electronically. The e-voting module shall be disabled by CDSL for voting thereafter.
- (ii) Shareholders who have already voted prior to the meeting date would not be entitled to vote at the Meeting.

- (iii) Pursuant to SEBI Circular No. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated 09.12.2020, under Regulation 44 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015; listed entities are required to provide remote e-voting facility to its shareholders, in respect of all shareholders' resolutions. However, it has been observed that the participation by the public non-institutional shareholders/retail shareholders is at a negligible level.

Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the shareholders.

In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to all the demat account holders, by way of a single login credential, through their demat accounts/ websites of Depositories/ Depository Participants. Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.

**Step 1: Access through Depositories CDSL/NSDL e-Voting system in case of individual shareholders holding shares in de-mat mode.**

- (iv) In terms of SEBI circular no. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated December 09, 2020 on e-Voting facility provided by Listed Companies, Individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. Shareholders are advised to update their mobile number and email Id in their demat accounts in order to access e-Voting facility.

Pursuant to above said SEBI Circular, Login method for e-Voting and joining virtual meetings for Individual shareholders holding securities in Demat mode is given below:

<b>Total Comprehensive Income/(Loss) for the year</b>	<b>(538.03)</b>	<b>147.43</b>

### 2. DIVIDEND:

In view of carry forward losses, your directors have not recommended any dividend for the year under review.

### 3. RESERVES:

Since, there is loss during the year; the Company has not transferred any amount to the Reserves.

### 4. SHARE CAPITAL:

During the year under review, the Company has not altered/modified its authorised share capital and has not issued any shares including equity shares with differential rights as to dividend, voting or otherwise. The Company has not issued any sweat equity shares to its directors or employees.

During the year, there was no change in the Share Capital of the Company.

As on March 31, 2022, the issued, subscribed and paid up share capital of your Company stood at Rs.1,450.00 Lakhs comprising of 145.00 Lakhs Equity shares of Rs.10/- each. However, out of Rs.1450.00 Lakhs, a sum of Rs.10.37 Lakhs is in calls in Arrears which is due from shareholders (other than the Directors and Officers of the Company).

### 5. OPERATIONS AND FUTURE OUTLOOK:

During the financial year ended March 31, 2022, your Company was mainly engaged into the wholesale trading of commodities such as Yarn, Polymers etc. The Company has mainly imported the commodities and sold them on wholesale basis in India. During the financial year 2021-22, the turnover of the Company has increased from Rs.317.27 Lakhs in the previous year to Rs.830.41 Lakhs in the current year. However, the Company has made a loss (including other Comprehensive Income) of Rs.538.03 Lakhs during the year as compared to profit of Rs.147.43 Lakhs in the previous year.

During the year Company incurred losses due to fall in the prices of yarn from the month of December 2021 (which resulted losses on inventory held by the Company).

We are one of the oldest Companies in the field of Yarn & Polymers. Your Directors are confident and optimistic of generating additional revenues. The demand for this product will never be in slump due to the sheer size of the Domestic Market.

The Company hopes that once volatility in the prices of the commodities becomes stable, the Company will be able to get good business.

## MANAGEMENT DISCUSSION AND ANALYSIS REPORT

Management Discussion and Analysis Report on the business of the Company as applicable and to the extent relevant is given below:

The statements in the “Management Discussion and Analysis Report” describe the Company’s objectives, projections, expectations, estimates or forecasts which may be “forward-looking statements” within the meaning of the applicable laws and regulations. Actual results may differ substantially or materially from those expressed or implied therein due to risks and uncertainties. Important factors that could influence the Company’s operations, inter alia, include global and domestic demand and supply conditions affecting selling prices of goods, availability and prices, changes in government regulations, tax laws, economic, political developments within the country and other factors such as litigations and industrial relations.

FY22 began with a deadly hold of the pandemic, making it feel like we were still trapped in the middle of a year that started several months ago. But as is the nature of challenges, they invariably push people and societies to adapt and evolve. The exigencies of the pandemic freed thinking from its conventional shackles and pushed the boundaries of innovation. But these changes did not take place in a vacuum. Without the resilient presence of frontline workers across sectors, such innovation would not hold ground. The convergence of the new with the old was a key element in our collective quest to emerge stronger from the pandemic. Even though, the near-term global outlook remains uncertain, the promise of this decade still holds

### GLOBAL ECONOMY OVERVIEW

The war in Ukraine has triggered a costly humanitarian crisis that demands a peaceful resolution. At the same time, economic damage from the conflict will contribute to a significant slowdown in global growth in 2022 and add to inflation. Fuel and food prices have increased rapidly, hitting vulnerable populations in low-income countries. Global growth is projected to slow from an estimated 6.1% in 2021 to 3.6% in 2022 and 2023. Beyond 2023, global growth is estimated to decline to 3.3% over the medium term. War-induced commodity price increases and broadening price pressures have led to 2022 inflation projections of 5.7% in advanced economies and 8.7% in emerging market and developing economies. It is imperative to undertake multilateral efforts to respond to the humanitarian crisis, prevent further economic fragmentation, maintain global liquidity, manage debt distress, and tackle climate change.

### INDIAN ECONOMY OVERVIEW

The past two years have been difficult for the Indian economy on account of the COVID-19 pandemic. Repeated waves of infection, supply-chain disruptions and, more recently, inflation have created particularly challenging times. Faced with these challenges, the Government proactively implemented a range of safety measures to protect the vulnerable sections of the society. It places a strong thrust on increase in capital expenditure for infrastructure development to boost medium-term demand and expansion of the economy.

India’s Gross Domestic Product (GDP) is estimated to have grown by 8.7% in FY 2021-22 and growth is expected at 8.2% in FY 2022-23. This implies that the overall economic activity has recovered past the pre-pandemic levels. Growth in the coming year will be driven by widespread vaccine coverage, gains from supply-side reforms and easing of regulations, robust export growth, and availability of fiscal space to ramp up capital spending. The country is also well poised for a pick-up in private sector investment with the financial system in a good position to provide support to the revival of the economy. Expectations of normal monsoon, abatement of pandemic-related challenges, withdrawal of global liquidity by major central banks, moderate oil prices, and easing of supply chain disruptions will support growth momentum going forward.

### INDUSTRY STRUCTURE AND DEVELOPMENT:

During the financial year ended March 31, 2022, your Company was mainly engaged into the wholesale trading of commodities such as yarn and polymer etc.

The global textile industry has been facing exceptionally challenging conditions since the past two years due to the restrictions imposed because of the Covid-19 pandemic.

## **Yarn**

During the year Company incurred losses due to fall in the prices of yarn from the month of December 2021 (which resulted losses on inventory held by the Company).

### **STRENGTH, WEAKNESS, OPPORTUNITIES AND THREATS:**

The Company is in the business of trading in commodities for last three decades, which has made it a well known business house in the market in which the Company trades.

The business of the Company is affected mainly because of intense competition in the Global Markets.

The major threat would be slow down in the Indian as well as Global Economy or change in Economic Policies of the Indian Government.

Accelerated reopening of activities have re-opened opportunities for the textile market which were quiet for a long time. Further, China plus one policy by USA and Europe will lead to increase in demand for the Indian Market. With an added advantage of high quality standards and globally renowned accreditations, our Company will be forging ahead with its sustainability vision to build potential so as to grab opportunities coming its way.

### **SEGMENT/PRODUCT-WISE PERFORMANCE:**

The Company's current business activity has only one primary reportable segment, namely trading in Commodities such as yarn, polymer, etc.

### **OUTLOOK:**

During the financial year ended March 31, 2022, your Company was mainly engaged into the wholesale trading of commodities such as Yarn, Polymers etc. The Company has mainly imported the commodities and sold them on wholesale basis in India. During the financial year 2021-22, the turnover of the Company has increased from Rs.317.27 Lakhs in the previous year to Rs.830.41 Lakhs in the current year. However, the Company has made a loss (including other Comprehensive Income) of Rs.538.03 Lakhs during the year as compared to profit of Rs.147.43 Lakhs in the previous year.

During the year Company incurred losses due to fall in the prices of yarn from the month of December 2021 (which resulted losses on inventory held by the Company).

We are one of the oldest Companies in the field of Yarn & Polymers. Your Directors are confident and optimistic of generating additional revenues. The demand for this product will never be in slump due to the sheer size of the Domestic Market.

The Company hopes that once volatility in the prices of the commodities becomes stable, the Company will be able to get good business.

### **RISK AND CONCERNS:**

Business risk evaluation is an ongoing process within the Company. The assessment is periodically examined by the Board. Your Company has devised and implemented a mechanism for Risk management and has developed a Risk Management Policy. The Policy provides for identification of internal and external risks and implementing risk mitigation steps. The said Policy is available on the website of the Company [www.ramgopalpolytex.com](http://www.ramgopalpolytex.com).

Yarn and Polymer Industry has certain specific set of risk characteristics, which needs to be carefully evaluated and mitigated. In order to effectively manage the same, the Company has evolved proactive Risk Management System, which is adhered to. The risk management covers the entire process from competitors' activities, new entrants etc.

### **Disruption and Uncertainty in Business due to Covid-19 pandemic:**

Due to the global outbreak of COVID 19 pandemic and following a nationwide lockdown by the Government of India, the Company's business has been affected adversely. The Management has considered the possible effects that may impact

the carrying value of inventories and trade receivables. in making the assumptions and estimates relating to the uncertainties as at the balance sheet date in relation to the recoverable amounts, the management has inter alia considered subsequent events, internal and external information prevailing as at the date of approval of these financial results. The Management expects no significant impairment to the carrying of these amounts.

**This section lists forward-looking statements that involve risks and uncertainties.**

1. Our revenues and expenses are difficult to predict and can vary significantly from period to period.
2. We may not be able to sustain our profit margins or levels of profitability.
3. The economic environment, pricing pressures etc. can negatively impact our revenues and operating results.
4. Currency fluctuations may affect the results or our operations.
5. Intense competition in the market can affect our pricing.
6. Changes in the policies of Government or political instability could impede liberalization of the Indian Economy and adversely affect economic conditions in India generally, which could impact our business and prospects.

**INTERNAL CONTROL SYSTEMS AND THEIR ADEQUACY:**

The Company has an ideal internal control system in every area of its operations. The internal control system is commensurate with the size and nature of its business. Further, the Company has appointed M/s. Ravi Seth & Co. as "Internal Auditors" to ensure effectiveness of internal control system. The Company mitigate the lapses in internal control system, if the same are observed by the Internal Auditors.

**FINANCIAL AND OPERATIONAL PERFORMANCE:**

Financial Results and performance for the year are elaborated in the Director's Report.

**HUMAN RESOURCES AND INDUSTRIAL RELATION:**

The Company's philosophy is to establish and build a high performing organization, where each individual is motivated to perform to the fullest capacity: to contribute to developing and achieving individual excellence and departmental objectives and continuously improve performance to realize the full potential of our personnel. Industrial relations are cordial and satisfactory.

The employee strength as on March 31, 2022 was 6 (Six).

**The Key Financial Ratios of the Company are given as below:**

Sr. No.	Particulars	2021-22	2020-21
i.	Debtors Turnover ratio (Times)	24.15	3.52
ii.	Inventory Turnover (Times)	6.25	5.58
iii.	Interest coverage ratio	(10.96)	3.19
iv.	Current ratio	9.55	56.56
v.	Debt equity ratio	0.05	0.002
vi.	Operating margin ratio%	(5.03%)	14.68%
vii.	Net Profit Margin	(5.49)%	9.75%

**Explanations for variation of 25% or more in Key Financial Ratios:**

- Debtors Turnover ratio increased as the turnover increased during the year. Also, average trade receivable for the year is lower than that of previous year.
- The changes in interest coverage ratio is due to losses in the Current year.

- Current ratio decreased as the current liability increased by Rs.98.97 Lakhs. Major contributing factor is short term borrowing and provisions.
- The changes in operation margin ratio is decreased due to losses in the current year.
- Net profit ratio decreased as the Company suffered loss during the year along with increase in sales.

**RETURN ON NET WORTH:**

Particulars	2021-22	2020-21
Return on net worth (%)	(3.20)%	1.58%

**Reason for significant change:** Return on equity decreased as the Company incurred huge loss in the current year.

**CAUTIONARY STATEMENT:**

Some of the statement contained within this Report may be “forward looking” in nature and may involve risks and uncertainties. The statements are based on certain assumptions and expectations of future events. The Company cannot guarantee that these assumptions and expectations are accurate or will be realized. The Company’s actual results, performance or achievements could thus differ materially from those projected in any such forward-looking statements.

The Company assumes no responsibility to publicly amend, modify or revise any forward-looking statements, on the basis of any subsequent developments, information or events.

To,  
The Members of Ramgopal Polytex Limited

I have examined the compliance of the conditions of Corporate Governance by Ramgopal Polytex Limited ('the Company') for the year ended on March 31, 2022, as stipulated in Regulations 17 to 27, clauses (b) to (i) of sub-regulation (2) of Regulation 46 and Para C, D & E of Schedule V of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("SEBI Listing Regulations").

The compliance of the conditions of Corporate Governance is the responsibility of the management. My examination was limited to procedures and implementation thereof, as adopted by the Company for ensuring the compliance of the conditions of Corporate Governance. It is neither an audit nor an expression of opinion on the financial statements of the Company.

In my opinion and to the best of my information and according to the explanations given to me, I certify that the Company has complied with the conditions of Corporate Governance as stipulated in the provisions as specified in the SEBI Listing Regulations for the year ended on March 31, 2022.

I further state that such compliance is neither an assurance as to the future viability of the Company nor the efficiency or effectiveness with which the management has conducted the affairs of the Company.

**INDEPENDENT AUDITOR'S REPORT**

**TO THE MEMBERS OF  
RAMGOPAL POLYTEX LIMITED  
Report on the Audit of Ind AS Financial Statements**

**Opinion**

We have audited the accompanying Ind AS financial statements of Ramgopal Polytex Limited ("the Company"), which comprise the Balance Sheet as at March 31, 2022 and the Statement of Profit and Loss (including Other Comprehensive Income), Statement of Changes in Equity and Statement of Cash Flows for the year then ended, and notes to the Financial Statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Ind AS financial statements give the information required by the Companies Act, 2013 (herein after referred to as 'Act') in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2022 and its losses and other comprehensive income, changes in equity and cash flows for the year ended on that date.

**Basis for Opinion**

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under Section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

**Key Audit Matters**

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

We have determined that there are no key audit matters to communicate in our report.

**Other Information**

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Annual report but does not include the financial statements and our auditor's report thereon. The Annual report is expected to be made available to us after the date of this auditor's report.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

When we read the annual report, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance.

### Responsibilities of Management and those charged with governance for the Ind AS financial statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Act, with respect to the preparation of these Ind AS financial statements that give a true and fair view of the financial position, financial performance (including other comprehensive income), changes in equity and cash flows of the Company in accordance with the Indian accounting standard (Ind AS) and accounting principles generally accepted in India, specified under Section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Ind AS financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Ind AS financial statements, Board of Directors is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is also responsible for overseeing the Company's financial reporting process.

### Auditors' Responsibility for the Audit of the Ind AS Financial Statements

Our objectives are to obtain reasonable assurance about whether the Ind AS financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Ind AS financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Ind AS financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Ind AS financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Ind AS financial statements, including the disclosures, and whether the Ind AS financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Ind AS financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

### **Report on other Legal and Regulatory Requirements**

1. As required by the Companies (Auditor's Report) Order, 2020, ("the Order"), issued by the Central Government of India in terms of sub-section (11) of Section 143 of the Act, we give in "Annexure A", a statement on the matters specified in paragraphs 3 & 4 of the Order, to the extent applicable.
2. As required by Section 143(3) of the Act, we report that:
  - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
  - b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
  - c) The Balance Sheet, the Statement of Profit and Loss (including other comprehensive income), the Statement of Changes in Equity and the Cash Flow Statement dealt with by this Report are in agreement with the books of account.
  - d) In our opinion, the aforesaid Ind AS Financial Statements comply with the Indian Accounting Standards (Ind AS) prescribed under Section 133 of the Act, read with relevant rules issued thereunder.
  - e) On the basis of the written representations received from the directors as on March 31st, 2022 taken on record by the Board of Directors, none of the directors is disqualified as on March 31st, 2022 from being appointed as a director in terms of Section 164(2) of the Act.
  - f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, we give our separate Report in "Annexure B".
  - g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended:

In our opinion and to the best of information and according to the explanations given to us, the remuneration paid by the Company to its Director during the year is in accordance with the provisions of Section 197 of the Act.
  - h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
    - i. The Company disclosed the impact of pending litigations (contingent liability) on its financial position in its Ind AS financial statements - Refer Note No 37 of the financial statements.
    - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.

- iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.
- iv. a. The Management has represented that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person or entity, including foreign entity ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
- b. The Management has represented, that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been received by the Company from any person or entity, including foreign entity ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
- c. Based on such audit procedures performed that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (a) and (b) contain any material misstatement.
- v. The company has not declared or paid any dividend during the year.

**Report on the Internal Financial Controls over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)**

We have audited the internal financial controls over financial reporting of RAMGOPAL POLYTEX LIMITED (“the Company”) as at March 31, 2022 in conjunction with our audit of the Ind AS financial statements of the Company for the year ended on that date.

**Management’s Responsibility for Internal Financial Controls**

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (“ICAI”). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

**Auditors’ Responsibility**

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) and the Standards on Auditing specified under section 143(10) of the Act to the extent applicable to an audit of internal financial controls, both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

**Meaning of Internal Financial Controls Over Financial Reporting**

A company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company’s assets that could have a material effect on the financial statements.

**Inherent Limitations of Internal Financial Controls Over Financial Reporting**

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

**Opinion**

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2022, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the ICAI. Our opinion is not modified in respect of this matter.

**NOTES TO FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2022****NOTE 1****A. CORPORATE INFORMATION**

Ramgopal Polytex Limited ("The Company") is a public limited Company domiciled in India. The Shares of the Company are listed on BSE Limited and The Calcutta Stock Exchange Association Limited. The Company is primarily engaged in the business of trading of polymer, yarn etc.

The Registered office of the Company is Located at Greentex Clearing House, B1, 2 and 3, Gosrani Compound, Rehnal Village Bhiwandi Thane, Maharashtra.

**B. SIGNIFICANT ACCOUNTING POLICIES****(i) Basis of Preparation of Financial Statements**

These financial statements have been prepared in accordance with the generally accepted accounting principles in India under the historical cost convention (except for certain financial instruments that are measured at fair values and defined benefit employee plans) on accrual basis to comply in all material aspects with the Indian Accounting Standards (hereinafter referred to as the 'Ind AS') as notified by Ministry of Corporate Affairs pursuant to Section 133 of the Companies Act, 2013 read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 and Companies (Indian Accounting Standards) Amendment Rules, 2016.

The financial statements have been prepared on accrual and going concern basis. The accounting policies are applied consistently to all the periods presented in the financial statements. All assets and liabilities have been classified as current or non-current as per the Company's normal operating cycle and other criteria as set out in the Division II of Schedule III to the Companies Act, 2013. Based on the nature of products and the time between acquisition of assets for processing and their realisation in cash and cash equivalents, the Company has ascertained its operating cycle as 12 months for the purpose of current or non-current classification of assets and liabilities.

**(ii) Key Estimates and Assumptions**

The preparation of financial statements requires management to make judgments, estimates and assumptions in the application of accounting policies that affect the reported amounts of assets, liabilities, disclosure of contingent liabilities as at the date of the financial statements and the reported amounts of revenue and expenses during the reporting period. Actual results may differ from these estimates. Continuous evaluation is done on the estimation and judgments based on historical experience and other factors, including expectations of future events that are believed to be reasonable. Actual results may differ from those estimates. Any revision to accounting estimates is recognised prospectively in current and future periods. Information about critical judgments in applying accounting policies, as well as estimates and assumptions that have the most significant effect to the carrying amounts of assets and liabilities within the next financial year, are as follows:

- Determination of the estimated useful lives of tangible assets and the assessment as to which component of the cost may be capitalized.
- Impairment of Property, Plant and Equipment
- Recognition and measurement of defined benefit obligations
- Recognition of deferred tax assets
- Fair value of financial instruments
- Provisions and Contingent Liabilities

**(iii) Property, Plant and Equipment (PPE)**

PPE are initially recognised at cost. The initial cost of PPE comprises its purchase price, including non-refundable duties and taxes net of any trade discounts and rebates, any directly attributable cost of bringing the PPE to its

## NOTES TO FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2022

working condition for its intended use and estimated costs of dismantling and removing the item and restoring the item and restoring the site on which it is located. The cost of PPE includes interest on borrowings (finance cost) directly attributable to acquisition. PPE are stated at cost less accumulated depreciation and impairment losses, if any.

Subsequent costs are included in the PPE's carrying amount or recognised as a separate PPE, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. The carrying amount of any component accounted for as a separate asset is derecognised when replaced. All other repairs and maintenance are charged to profit or loss during the reporting period in which they are incurred.

Depreciation on tangible PPE is charged after considering residual value of five percent, is provided on Straight Line Method in the manner specified in Schedule II to the Companies Act, 2013 except for carrying value of property, plant and equipment as on April 01, 2014 which is depreciated equally over the balance useful life of the PPE.

The carrying values of PPE are reviewed for impairment when events or changes in circumstances indicate that the carrying value may not be recoverable.

The residual values, useful life and depreciation method are reviewed at each financial year-end to ensure that the amount, method and period of depreciation are consistent with previous estimates and the expected pattern of consumption of the future economic benefits embodied in the items of PPE.

An item of PPE is derecognised upon disposal or when no future economic benefits are expected to arise from the continued use of the PPE. Any gain or loss arising on disposal or retirement of an item of PPE is determined as the difference between sales proceeds and the carrying amount of the PPE and is recognised in statement of profit and loss. Fully depreciated PPE still in use are retained in financial statements.

### (iv) Intangible Assets

Intangible assets are measured on initial recognition at cost and subsequently are carried at cost less accumulated amortisation and accumulated impairment losses, if any. An intangible asset is derecognised on disposal, or when no future economic benefits are expected from use or disposal. Gains or losses on derecognition are determined by comparing proceeds with carrying amount.

### (v) Financial Instruments

#### Financial Assets – Initial Recognition

Financial assets are recognised when the Company becomes a party to the contractual provisions of the instruments. On initial recognition, a financial assets is recognised at fair value, in case of financial assets which are recognized at fair value through profit and loss (FVTPL), its transaction cost are recognized in the statement of profit and loss. In other cases, the transaction cost are attributed to the acquisition value of the financial assets.

#### Subsequent Measurement

Financial Assets are subsequently classified as measured at:

- Amortised Cost
- Fair Value through Profit and Loss (FVTPL)
- Fair Value through Other Comprehensive Income (FVTOCI)

The above classification is being determined considering the followings:

- (a) The entity's business model for managing the financial assets and
- (b) The contractual cash flow characteristics of the financial assets.

## NOTES TO FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2022

Financial assets are not reclassified subsequent to their recognition, except if and in the period, the Company change its business model for managing financial assets.

### (i) Measured at Amortised Cost

Financial assets are subsequently measured at amortised cost, if these financial assets are held within a business model whose objective is to hold these assets in order to collect contractual cash flows and contractual terms of the financial assets give rise on specified date to cash flows that are solely payments of principal and interest on the principal amount outstanding.

### (ii) Measured at Fair Value through Other Comprehensive Income (FVTOCI)

Financial assets are measured at fair value through other comprehensive income if these financial assets are held within a business whose objective is achieved by both collecting contractual cash flows that give rise on specified dates to solely payments of principal and interest on the principal amount outstanding and by selling financial assets. Fair value movements are recognised in the Other Comprehensive Income (OCI). Interest income measured using the EIR method and impairment losses, if any are recognised in the Statement of Profit and Loss. On derecognition, cumulative gain or loss previously recognised in OCI is reclassified from the equity to 'Other Income' in the Statement of Profit and Loss in case of debt instrument and transferred within equity in case of equity instrument.

### (iii) Measured at Fair Value through Profit or Loss (FVTPL)

Financial assets other than equity instrument are measured at fair value through profit or loss unless it is measured at amortised cost or at fair value through other comprehensive income on initial recognition. Such financial assets are measured at fair value with all changes in fair value, including interest income and dividend income if any, recognised in the Statement of Profit and Loss.

### Impairment

The Company recognises a loss allowance for Expected Credit Losses (ECL) on financial assets that are measured at amortised cost and at FVTOCI. The credit loss is difference between all contractual cash flows that are due to an entity in accordance with the contract and all the cash flows that the entity expects to receive (i.e. all cash shortfalls), discounted at the original effective interest rate. This is assessed on an individual or collective basis after considering all reasonable and supportable including that which is forward looking.

The Company's trade receivables or contract revenue receivables do not contain significant financing component and loss allowance on trade receivables is measured at an amount equal to life time expected losses i.e. expected cash shortfall, being simplified approach for recognition of impairment loss allowance.

Under simplified approach, the Company does not track changes in credit risk. Rather it recognise impairment loss allowance based on the life time ECL at each reporting date right from its initial recognition. The Company uses a provision matrix to determine impairment loss allowance on the portfolio of trade receivables. The provision matrix is based on its historically observed default rates over the expected life of the trade receivables and is adjusted for forward looking estimates. At every reporting date, the historical observed default rates are updated and changes in the forward looking estimates are analysed.

For financial assets other than trade receivables, the Company recognises 12 Months expected credit losses for all originated or acquired financial assets if at the reporting date the credit risk of the financial assets has not increased significantly since its initial recognition. The expected credit losses are measured as lifetime expected credit losses if the credit risk on financial assets increases significantly since its initial recognition. If, in a subsequent period, credit quality of the instrument improves such that there is no longer significant increase in credit risks since initial recognition, then the Company reverts to recognising impairment loss allowance bases on 12 months ECL. The impairment losses and reversals are recognised in Statement of Profit and Loss. For financial assets measured at FVTPL, there is no requirement of impairment testing.

## NOTES TO FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2022

### Derecognition

The Company derecognises a financial asset when the contractual rights to the cash flows from the financial assets expire, or it transfers rights to receive cash flows from an asset. It evaluates if and to what extent it has retained the risks and rewards of ownership. When it has neither transferred nor retained substantially all of the risks and rewards of the asset, nor transferred control of the asset, the Company continues to recognise the transferred asset to the extent of the Company's continuing involvement. In that case, the Company also recognises an associated liability. The transferred asset and the associated liability are measured on a basis that reflects the rights and obligations that the Company has retained.

### Financial liabilities

#### Initial Recognition and Measurement

Financial liabilities are recognised when the Company becomes a party to the contractual provisions of the instruments. Financial liabilities are initially recognized at fair value net of transaction costs for all financial liabilities not carried at fair value through Profit or Loss.

The Company's financial liabilities include trade and other payables, loans and borrowings including bank overdrafts.

#### Subsequent Measurement

Financial liabilities measured at amortised cost are subsequently measured at using EIR method. Financial liabilities carried at fair value through profit or loss are measured at fair value with all changes in fair value recognised in the Statement of Profit and Loss.

### Loans and Borrowings

After initial recognition, interest bearing loans and borrowings are subsequently measured at amortised cost using EIR method. Gains and losses are recognised in the statement of profit and loss when the liabilities are derecognised as well as through EIR amortisation process.

### Financial Guarantee Contracts

Financial guarantee contracts issued by the Company are those contracts that requires a payment to be made or to reimburse the holder for a loss it incurs because the specified debtors fails to make payment when due in accordance with the term of a debt instrument. Financial guarantee contracts are recognised initially as a liability at fair value, adjusted for transaction costs that are directly attributable to the issuance of the guarantee.

### Derecognition

A financial liability is derocognised when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the Statement of Profit and Loss.

### Derivative Financial Instruments

The Company uses derivative financial instruments, such as forward foreign exchange contracts, to hedge its foreign currency risks. Such derivative financial instruments are initially recognised at fair value on the date on which a derivative contract is entered into and are subsequently remeasured at fair value, with changes in fair value recognised in Statement of Profit and Loss.

## **NOTES TO FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2022**

### **Off Setting of Financial Instruments**

Financial assets and financial liabilities are off set and the net amount is reported in financial statements if there is a currently enforceable legal right to off set the recognised amounts and there is an intention to settle on a net basis, to realise the assets and settle the liabilities simultaneously.

### **(vi) Measurement of Fair Values**

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date, regardless of whether that price is directly observable or estimated using another valuation technique.

The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximizing the use of relevant observable inputs and minimizing the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorized within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

- Level 1 - Quoted (unadjusted) market prices in active markets for identical assets or liabilities
- Level 2 - Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable
- Level 3 - Valuation techniques for which the lowest level input that is significant to the fair value measurement is Unobservable

### **(vii) Inventories**

Inventories are valued at lower of cost and net realisable value after providing for obsolescence and other losses, where considered necessary. Cost includes all charges in bringing the goods to their present location and condition, including taxes, transit insurance and receiving charges. Net realisable value is the estimated selling price in the ordinary course of business, less the estimated costs of completion and the estimated costs necessary to make the sale.

### **(viii) Revenue Recognition**

Revenue from contracts with customers is recognised when control of the goods are transferred to the customer at an amount that reflects the consideration entitled in exchange for those goods. The Company is generally the principal as it typically controls the goods before transferring them to the customer.

Generally, control is transferred upon shipment of goods to the customer or when the goods is made available to the customer, provided transfer of title to the customer occurs and the Company has not retained any significant risks of ownership or future obligation with respect to the goods shipped.

Revenue is measured at the amount of consideration which the Company expects to be entitled to in exchange for transferring distinct goods to a customer as specified in the contract, excluding amounts collected on behalf of third parties (for example taxes and duties collected on behalf of the government).

## NOTES TO FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2022

### Contract Balances

#### Trade Receivables

A receivable represents the Company's right to an amount of consideration that is unconditional.

#### Contract liabilities

A contract liability is the obligation to transfer goods to a customer for which the Company has received consideration from the customer.

#### Interest Income

Interest income from financial assets is recognised using effective interest rate method.

#### Dividend Income

Dividend income is recognised when the Company's right to receive the amount has been established.

### (ix) Employee Benefits

#### Short-Term Employee Benefits

All employee benefits payable wholly within twelve months of rendering the service are classified as short term employee benefits. Benefits such as salaries, performance incentives, etc., are recognized as an expense at the undiscounted amount in the Statement of Profit and Loss of the year in which the employee renders the related service.

#### Post Employment Benefits

##### (a) Defined Contribution Plans

Payments made to a defined contribution plan such as Provident Fund and Family Pension maintained with Regional Provident Fund Office are charged as an expense in the Statement of Profit and Loss as they fall due.

##### (b) Defined Benefit Plans

The Company's net obligation in respect of defined benefit plans is calculated separately for each plan by estimating the amount of future benefit that employees have earned in the current and prior periods, after discounting the same. The calculation of defined benefit obligations is performed annually by qualified actuary using the projected unit credit method. Re-measurement of the net defined benefit liability, which comprise actuarial gains and losses are recognized immediately in "Other Comprehensive Income (OCI)". Net interest expense (income) on the net defined liability (assets) is computed by applying the discount rate, used to measure the net defined liability (asset). Net interest expense and other expenses related to defined benefit plans are recognized in Statement of Profit and Loss. When the benefits of a plan are changed or when a plan is curtailed, the resulting change in benefit that relates to past service or the gain or loss on curtailment is recognized immediately in Statement of Profit and Loss. The Company recognizes gains and losses on the settlement of a defined benefit plan when the settlement occurs.

#### Terminal Benefits

All terminal benefits are recognized as an expense in the period in which they are incurred.

**NOTES TO FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2022****(x) Borrowing Costs**

Borrowing costs are interest and other costs that the Company incurs in connection with the borrowing of funds and is measured with reference to the effective interest rate applicable to the respective borrowing. Borrowing costs that are directly attributable to the acquisition of an asset that necessarily takes a substantial period of time to get ready for its intended use are capitalised as part of the cost of that asset till the date its ready for its intended use. Other borrowing costs are recognised as an expense in the period in which they are incurred.

**(xi) Taxes on Income**

Income tax expense comprises current tax and deferred income tax. Tax is recognized in the Statement of Profit and Loss except to the extent that it relates to items recognized in the Other Comprehensive Income or in equity. In which case, the tax is also recognised in Other Comprehensive Income or Equity.

**Current Tax**

Current tax assets and liabilities are measured at the amount expected to be recovered from or paid to the income tax authorities, based on tax rate and laws that are enacted at the Balance Sheet date.

**Deferred Tax**

Deferred income tax is recognised on temporary differences between the carrying amounts of assets and liabilities in the Financial Statements and the corresponding tax bases used in the computation of taxable profit.

Deferred income tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or assets realised, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period. The carrying amount of Deferred tax liabilities and assets are reviewed at the end of each reporting period.

**(xii) Provisions, Contingent Liabilities and Contingent Assets**

Provisions are recognized, when there is a present legal or constructive obligation as a result of past events, where it is probable that there will be outflow of resources to settle the obligation and when a reliable estimate of the amount of the obligation can be made. Where a provision is measured using the cash flows estimated to settle the present obligation, its carrying amount is the present value of those cash flows. Where the effect is material, the provision is discounted to net present value using an appropriate current market-based pre-tax discount rate and the unwinding of the discount is included in finance costs.

Contingent liabilities are recognised only when there is a possible obligation arising from past events, due to occurrence or non-occurrence of one or more uncertain future events, not wholly within the control of the Company, or where any present obligation cannot be measured in terms of future outflow of resources, or where a reliable estimate of the obligation cannot be made. Obligations are assessed on an ongoing basis and only those having a largely probable outflow of resources are provided for.

Contingent assets are not disclosed in the financial statements unless an inflow of economic benefits is probable.

**(xiii) Leases**

The Company assesses whether a contract is or contains a lease, at inception of a contract. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration.

At the date of commencement of the lease, the Company recognises a right-of-use asset ("ROU") and a corresponding

## NOTES TO FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2022

lease liability for all lease arrangements in which it is a lessee, except for leases with a term of twelve months or less (short-term leases) and leases of low value assets. For these short-term and leases of low value assets, the Company recognises the lease payments as an operating expense on a straight-line basis over the term of the lease.

The right-of-use assets are initially recognised at cost, which comprises the initial amount of the lease liability. They are subsequently measured at cost less accumulated depreciation and impairment losses, if any. Right-of-use assets are depreciated from the commencement date on a straight-line basis over the shorter of the lease term and useful life of the underlying asset.

The lease liability is initially measured at the present value of the future lease payments. The lease payments are discounted using the interest rate implicit in the lease or, if not readily determinable, using the incremental borrowing rates. The lease liability is subsequently remeasured by increasing the carrying amount to reflect interest on the lease liability, reducing the carrying amount to reflect the lease payments made.

A lease liability is remeasured upon the occurrence of certain events such as a change in the lease term or a change in an index or rate used to determine lease payments. The re-measurement normally also adjusts the leased assets.

Lease liability and ROU asset have been separately presented in the Balance Sheet and lease payments have been classified as financing cash flows.

### **(xiv) Foreign Currency Transactions**

Transactions in foreign currency are recorded at the rate of exchange in force at the date of the transaction. Assets and Liabilities in foreign currency outstanding at the year end, if any, are stated at the rate of exchange prevailing at the close of the year and the resultant gain / loss is recognised in the Statement of Profit and Loss.

### **(xv) Cash and Cash Equivalents**

The Company considers all highly liquid financial instruments, which are readily convertible into known amounts of cash that are subject to an insignificant risk of change in value and having original maturities of three months or less from the date of purchase, to be cash equivalents. Cash and cash equivalents consist of balances with banks which are unrestricted for withdrawal and usage.

#### Recent Accounting Pronouncements

The Ministry of Corporate Affairs (MCA) vide Notification dated 23th March, 2022 has issued new Companies (Indian Accounting Standard) Amendment Rules, 2022. Major amendments notified in the notification are provided below:

- (a) Ind AS 16 I Property, plant and equipment – The amendment clarifies that excess of net sale proceeds of items produced over the cost of testing, if any, shall not be recognised in the profit or loss but deducted from the directly attributable costs considered as part of cost of an item of property, plant, and equipment. The effective date for adoption of this amendment is annual periods beginning on or after April 1, 2022.
- (b) Ind AS 37 I Provisions, contingent liabilities and contingent assets – The amendment specifies that the 'cost of fulfilling' a contract comprises the 'costs that relate directly to the contract'. Costs that relate directly to a contract can either be incremental costs of fulfilling that contract (examples would be direct labour, materials) or an allocation of other costs that relate directly to fulfilling contracts (an example would be the allocation of the depreciation charge for an item of property, plant and equipment used in fulfilling the contract). The effective date for adoption of this amendment is annual periods beginning on or after April 1, 2022.
- (c) Ind AS 103 I Business combinations – The amendment adds a new exception in Ind AS 103 for liabilities and contingent liabilities.
- (d) Ind AS 109I Financial instruments – The amendment clarifies which fees an entity includes when it applies the '10%' test in assessing whether to derecognise a financial liability. An entity includes only fees paid or received between the entity (the borrower) and the lender, including fees paid or received by either the entity or the lender on the other's behalf.

The Company is evaluating the impact of these amendments.

### Note 45

The Indian Parliament has approved the Code on Social Security, 2020 ("the Code") which, inter alia, deals with employee benefits during employment and post-employment, and the same has received Presidential assent in September 2020. The Code has been published in the Gazette of India. However, the date on which the Code will come into effect has not been notified. The Company will assess the impact of the Code and recognise the same when the Code becomes effective.
